TRAINING PROGRAMME CANDIDATE REFEREES 2025

BLUE BULLS RUGBY UNION – BLUE BULLS RUGBY REFEREE'S SOCIETY INFORMATION DOCUMENT

INTRODUCTION

The presence of sport in a person's life carries enormous benefits for social, physical and personal development while broadening cultural awareness. Rugby is a uniquely inclusive sport, and you as "the referee to be" hold a position of genuine influence over the player's safety and game enjoyment. Rugby is a sport which involves physical contact. Any sport involving physical contact has inherent dangers. It is very important that players play the game in accordance with the Laws of the Game and be mindful of the safety of themselves and others.

It is the duty of the referee to apply fairly all the laws of the game in every match.

Being a rugby referee is there for no easy task.

The Blue Bulls Rugby Union (BBRU) acknowledges that rugby referees have a very important and significant role to play in the game and referees are a valuable asset in the organization.

To be a qualified Referee in South Africa, SA Rugby requirements are as follow:

- Assistant Referee Course
- Valid BokSmart accreditation
- Certified WR Level 1 Officiating
- A member of a Union Rugby Referee Society
- Passed fitness requirement
- Registered on www.whoistheref.com

SELECTION PROCESS

Candidate referees are subjected to a selection process before being appointed as a member of the Blue Bulls Rugby Referees Society (BBRRS).

The selection process contains the attendance of a Rugby Laws Course, a WR Level 1 Officiating Course, an Assistant Referee Course, a Fitness Test and a Rugby Laws Examination. The candidate needs to be successful in all these activities.

The newly appointed referees will attend an Induction Course, where they will be informed of the functioning and operation of the BBRRS.

WHAT HAPPENS NEXT?

New referees will be appointed as Assistant Referees for a few weekends in the 2025 season before they will officiate in school matches (Under 14 to Under 16). Referees will also be guided by Referee Coaches who will attend their matches and from there onwards, referees determine their own pace and progression.

As members the new referees will be required to be actively involved in all the activities of the BBRRS. There are monthly members meetings and law discussions, 3/4 x law examinations, 3/4 x fitness tests and advanced training sessions from time to time. New referees will receive a 2025-year program. New appointed members must buy their own kit.
