

PREFACE

The Springboks rode the crest of the wave in 2024 and ended the year as the best team in the world. The stat that is even more impressive is that Rassie Erasmus (head coach) used 50 players to win 11 out of 13 tests and finished at the top of the rankings – the depth and exposure to rising stars holds a lot of promise for the future! Beyond a boom in senior talent and national achievements, it speaks to leadership and strategic decision-making. It seems that the role-players maintain a healthy balance between exposure, development and performance and in the process strengthen the Springbok brand.

The Blue Bulls Company has the same objectives and aims to build the BULLS brand and establish it as one of the leading unions/clubs in the rugby world.

Because of our schools and structures, the BBHSRA is one of the forerunners in provincial rugby at high school level in South Africa. Our deliberate efforts to expand provincial rugby at U15 and U17 level have already, and hopefully will in the future, ensure depth and provide a competitive advantage for our association. This is equally true for players and coaches.

However, if we want to become the leaders on a regular basis, we need to recognise and address some challenges in the current landscape to the best of our ability:

1. The number of schools competing nationally at the highest level should be strengthened and preferably increased, respectively – yet the opposite appears to be partly true
2. The number of schools that produce black players who can compete at the national level must increase – probably our biggest challenge compared to other large provinces
3. The number of smaller and predominantly black schools that offer rugby as part of their extracurricular program and develop the game must increase – the challenges in Divisions 3 to 5 appear to be increasing every year and the quality of rugby is systematically deteriorating
4. The gap between the strong rugby schools and the rest seems to be widening every year – more and more talented players are flocking to the beacons of rugby excellence instead of making a difference in their own communities

Although the above trends are a generalization and often have obvious reasons or motivations, in most cases the BBHSRA cannot do much to ensure schools' progress and growth or the opposite. We can, however, in collaboration with the BBRU, create a policy framework and structures that support all affiliated schools and their players as far as possible and work hard to make this a reality.

I would like to express the hope that the collaboration between the BBHSRA and our schools will have a particularly blessed 2025 and that we will join hands to experience development, growth, progress and prosperity! The BBHSRA wishes every administrator, coach, player and parent an enjoyable and successful rugby season. May 2025 exceed our expectations and quite a few trophies and victories fill the history books.

Winners never quit and quitters never win.
Vince Lombardi

Henry Verster
BBHRV Voorsitter / Chairman BBHSRA

Saterdag, 16 Augustus 2025		
SDC Noordvaal Halffinaal (Afdeling 2)		
Saterdag, 23 Augustus 2025		
SDC Noordvaal Finaal (Afdeling 2)		

Uitspele: Blou Bulle Stadsbeker (Afdeling 2)

Skole word na afloop van die groepwedstryde van plekke een tot ses geplaas.

Vyf skole van Groep A en drie skole van Groep B kwalifiseer vir die kwartfinaal.

Die kwart -en halffinaal vind plaas by die span se skool wat die hoogste geplaas is. Die uitspele word dus per span en nie per skool bepaal.

Die kwartfinaal se loting vind soos volg plaas:

- 1) A1 teen A5
- 2) A3 teen B2
- 3) A2 teen B3
- 4) A4 teen B1

Die halffinaal se loting vind soos volg plaas:

- 1) Wenner kwartfinaal 1 teen wenner kwartfinaal 2
- 2) Wenner kwartfinaal 3 teen wenner kwartfinaal 4

Die finaal se loting vind soos volg plaas:

- 1) Wenner halffinaal 1 teen wenner halffinaal 2 (plekke 1 en 2)
- 2) Verloorder halffinaal 1 teen halffinaal 2 (plekke 3 en 4)

Posisies vyf tot agt word soos volg bepaal:

- 1) Verloorder kwartfinaal 1 teen verloorder kwartfinaal 2
- 2) Verloorder kwartfinaal 3 teen verloorder kwartfinaal 3

Die finaal se loting vind soos volg plaas:

- 1) Wenner halffinaal 1 teen wenner halffinaal 2 (plekke 5 en 6)
- 2) Verloorder halffinaal 1 teen halffinaal 2 (plekke 7 en 8)

Nota – Spanne/skole een tot sewe kwalifiseer vir die SDC Noordvaal-uitspele.

Saterdag, 16 Augustus 2025		
SDC Noordvaal Halffinaal (Afdeling 3)		
Saterdag, 23 Augustus 2025		
SDC Noordvaal Finaal (Afdeling 3)		

Uitspele: Blou Bulle Stadsbeker (Afdeling 3)

Halffinaal: Vrydag 13 Junie (1 teen 4 en 2 teen 3)

Finaal: Saterdag 26 Julie (Loftus Versfeld)

SDC Noordvaaltrofee (Afdeling 3)

Kwalifiserende ronde: Saterdag, 2 Augustus 2025

Kwartfinaal: Saterdag, 9 Augustus 2025

Halffinaal: Saterdag, 16 Augustus 2025

Finaal: Saterdag, 23 Augustus 2025

1. Affiliasiegelde - Blou Bulle: R3850; Noordvaal: R700-00.

2. Skole onderneem/poog om deurgaans A-juniorspanne en 1ste senior-spanne in die liga te speel – 2de spanne onderling waar moontlik.
3. **Die halffinaal en Noordvaaluitspele vir Bulle 3** sal gespeel word by die skool wie die meeste spanne in die uitspele betrokke het en wat 2 velde beskikbaar het.
4. **Die eindstryd** sal gespeel word by die skool wie se 1ste-span die hoogste geëindig het op die liga puntetabel. Loftus Versfeld is 'n moontlikheid in 2025.
5. Indien dit egter die tweede maal is wat dieselfde twee skole in die **eerstespanfinaal** moet speel, sal die wedstryde dan by die ander eerstespan plaasvind.
6. Indien die skool wat die uitspele, halffinaal of finaal moet aanbied, finansiële hulp verlang om hul onkoste te delg, sal die volgende geld:
 - o die skole wat deuring na die uitspele, halffinaal of finaal moet elk R250 vir die gasheerskool gee. **Dit is R250 per span.**
7. **PROEWE:** Al is daar 'n prioriteitslys, moet skole bereid wees om die proewe aan te bied. **Voorkeur** sal wel verleen word aan die skool wat behoorlike fasiliteite en veral goeie ligte sal 'n belangrike aspek wees. Elke skool wat deelneem aan die proewe moet R300 aan die gasheer skool betaal, om te help met die noodhulp vir die dag. Dus R900 in totaal. R300 vir o. 15-proewe, R300 vir o. 16-proewe en R300 vir o. 18-proewe.

REGULATIONS AND HOUSEHOLD RULES OF THE BLUE BULLS HIGH SCHOOLS RUGBY ASSOCIATION (BBHSRA)

1. PURPOSE

To administrate high school rugby in the Blue Bulls region.

2. CONTROL

The executive committee of the BBHSRA, as commissioned by the annual general meeting of the association, will exercise control over the administration.

3. PARTICIPATION

Participation is limited to normal public schools, registered private schools or registered members of youth clubs who are **bona fide**, full time learners of affiliated Blue Bulls High Schools and schools for extraordinary education and special schools (LSEN), as determined by and set out in the constitution.

A Bona Fide learner is one that:

- (a) is officially enrolled at a school;
The school where the learner enrolled is the ONLY educational institution where the learner has registered.
- (b) is present at the school for the full duration of an official school day;
- (c) attends academic lessons in full;
- (d) is registered for at least seven subjects at the end of the year in which the league/competition takes place; *A learner subject to multiple examination opportunities as result of progression, may represent the school where he has enrolled, provided that he complies with the age requirements.*
- (e) is not in possession of a matric or national senior certificate – regardless pass/fail/not completed.

4. FIXTURES

Please report any clashes on the fixtures list to the secretary as soon as possible. In case of any changes or cancellation of matches, please inform the secretary immediately.

The home school is responsible for the arrangements regarding referees, match times, playing fields, match balls, control of the spectators and first aid. The visiting school must be informed of the final arrangements on or before the WEDNESDAY prior to the SATURDAY-fixture – *at least three (3) days in advance.*

Except for u20-players, players are not permitted to play for any club teams until after the school's rugby season is completed.

4.1. SPECTATOR CONTROL AND TECHNICAL TABLE

Coaches, reserves and spectators must be at least three meters from the sideline on both sides of the field. Barriers (fences/ropes/danger tape/etc.) must be placed next to the field to ensure this and it includes B-fields and all other fields. If the pavilion has any seating available, no spectators should be allowed to stand next to the field. It is important, for various reasons, that spectators are as far as possible from

the field and on the pavilion, especially to enforce the quick-throw-in rule and when the first teams play.

SPECTATOR CONTROL is extremely important and referees are instructed to stop matches if they are not happy with the behavior/conduct of the spectators.

Fields must be marked clearly with flags on the corners of the goal line and in-goal areas, as well as the 22m-line. Schools must see to it that technical areas are marked out for the home and visiting teams, but ONLY next to the field. ONLY seven (7) or eight (8) reserves, the team manager, the doctor/physio/S&C and the coaches may sit in the technical area. ONLY four (4) persons may go onto the field after a try or in the event of an injury (NB: NOT during a penalty), namely 4 water carriers OR 3 water carriers and a doctor/physio OR 2 water carriers a doctor/physio and a kicking tee carrier. Water carriers must look DIFFERENT to the players and cannot wear the same rugby jersey. NO coaches are allowed on the field during a match. A registered medical doctor or physio (only one) is allowed to roam next to the field.

4.2 TECHNICAL TABLE

The technical table consist of three (3) persons seated at the table, namely a field official from the home school or the Union or the BBHSRA, as well as a representative from each school, each with a stopwatch. The field official has a honking horn as well as the BOKSMART-cards, including team lists of 23 names from both teams. Arrange in advance with the referee to indicate when the time is on/off. A horn MUST go off after each half.

Any changes of players MUST be handled via the technical table. Any tactical or other changes, except blood, must be reported to the technical table two (2) minutes before the player goes onto the field. All the changes must be indicated on the result cards, the time and how much points were scored, as well as what time players were substituted and by whom. It is important to indicate a reason for the substitutions too, since an injured player (e.g. a front row player) may NOT go back onto the field if the player that substituted him, picks up an injury too. All referees and one coach from each team must sign the result card after the match.

The technical area must provide for players sent off with yellow cards too. At least two chairs must be placed in the technical area for this purpose, e.g. one player from each team received a yellow card or a front row player received a yellow card and one of the playing players is substituted by a reserve front row player (to scrum) and both players must sit in the technical area. The technical area administers the time of the yellow card (10 minutes for 1st teams and 5 minutes for all other teams) and indicate when the player can return to play. All substitutions report to the assistant referee (AR) after coming from the technical table. The AR will inform the referee of such a change / substitution.

“ROAMING” is applied according to the SARU regulation and allows that only a registered doctor or physiotherapist can roam next to the playing field. The person’s practice number, as well as Boksmart number, must appear on his/her bib.

5. AGE GROUPS

Schools must kindly ensure that players in the under-age teams comply with the necessary requirements.

The age requirements for 2025 is as follow:

- **UNDER 14**
All players born from 1 January 2011 to 31 December 2011.
- **UNDER 15**
All players born from 1 January 2010 to 31 December 2010.
- **UNDER 16**
All players born from 1 January 2009 to 31 December 2009.
- **UNDER 19**
All first (1st) team players must be 19 years or younger, which means from 1 January to 31 December this year, they should not turn older than 19 years of age.
 1. NO player may exceed the age limit.
 2. NO “post-matrices” may compete in any of the association's competitions.Teams/Schools that break these rules will FORFEIT ALL THEIR LEAGUE POINTS and/or FACE DISCIPLINARY MEASURES.

PLEASE NOTE: Players turning 20 or that are 20 years of age in 2025 may NOT play for any school team!

6. DURATION OF MATCHES

Starting times for matches must preferably take place on the hour for an hour, up until the first teams that requires a provided 1 hour and 20 minutes.

All league matches will take place according to the following time durations:

First teams	:	35 minutes “playing time” (Total of 70 min.)
Open teams and u16A	:	30 minutes “running time” (Total of 60 min.)
All other teams	:	25 minutes “running time” (Total of 50 min.)

During play-off matches (finals) the duration of matches are as follow:

First teams	:	35 minutes “playing time” (excluding injuries)
Open teams and u16	:	30 minutes “playing time” (excluding injuries)
All other teams	:	25 minutes “playing time” (excluding injuries)

A motion approved at the Annual General Meeting (AGM) of 2015 reads:

“A match can be stopped if the points difference is 50 points and it is the prerogative of the losing team to determine if the match can continue or not.”

7. REFEREES AND ASSISTANT REFEREES

To facilitate the Blue Bulls Referee Association’s task the first team (1st) match must start before or promptly at 12:00pm on Saturdays. If schools play on weekdays, the referee association must be notified of the times well in advance – especially when matches run into the evening.

PLEASE NOTE: *Referees are appointed by the referee association (BBRRA) and not the High School's Management (BBHSRA).*

If union referees are not available to act as assistant referees (AR's), only teachers (one from each school) may act as AR's – coaches may not be involved in the match as AR's. If a qualified teacher is not available, parents or learners may act as AR's, provided they are fully qualified for the task. In terms of violations of rule 9, ONLY Blue Bull union referees and assistant referees can assist the referee by alerting him/her of any foul play.

The control of matches must be divided amongst the referees in the following manner, provided that the requirements as determined by the schools referee committee's regulations are met. This implies that the school referees must meet the specified minimum requirements annually in order to take charge of a school match. The home school must organize the appointment of **union referees**:

1st team	:	Union referee
2nd team	:	Union referee
3 rd team	:	Visitors
4 th team	:	Home school
5 th team	:	Visitors
6 th team	:	Home school
7 th team	:	Visitors
U16A	:	Union referee
U16B	:	Visitors
U16C	:	Home school
U16D	:	Visitors
U15A	:	Union referee/Visitors
U15B	:	Home school
U15C	:	Visitors
U15D	:	Home school
U14A	:	Union referee/Visitors
U14B	:	Home school
U14C	:	Visitors
U14D	:	Home school

PLEASE NOTE: *If a union referee does not show up for whatever reason, rule 6(1) of the SARU policy apply: "If such an authorized referee do not show up, the respective teams can mutually agree on who must act as referee, or in the absence of such an agreement the referee will be appointed by the home team. Coaches may NOT act as a referee for their own teams."*

7.1 REFEREE APPOINTMENTS FOR MATCHES

Appointments are made by the Union for the first, second and u16A teams. If possible, the home school can arrange union referees for the u15A and u14A, as well as the other teams too.

The u16A and second team union referees act as assistant referees (AR's) for the first team match. If one of the two union AR's are not available for the first team match, the home school will supply an AR. If the matches move from the Saturday to a Friday evening or any other day of the week, the same arrangement applies.

All requests for and changes regarding referees must be sent via e-mail to the BLUE BULLS REFEREE ASSOCIATION'S office: stephan@bluebull.co.za . *(Stephan requests that your application for referees will be well in advance and accompanied by a programme for the day. He will appoint the available union referees based on the programme.)*

SCHOOL REFEREES

Any person that wants to act as a referee under the jurisdiction of the **BBRU** must:

- be a registered member of the provincial or high schools referee associations;
- have attended and completed the Boksmart course;
- have completed the WR On-line Rugby ready examinations;
- have completed the WR On-line Rugby laws examinations;
- have attended and completed the WR Level 1 referee course (**once off**);
- *preferably have attended and completed the assistant referee course.*

Only teachers, currently employed by the school and qualified with the above-mentioned **minimum requirements**, may take charge of school matches.

Outside coaches/parents/ex-teachers may referee school matches, on condition that the person meets the above-mentioned minimum requirements and both schools agree to it, seeing that no teacher is available to referee the match.

More union referees can be requested if the two schools do not have enough teachers to handle the number of matches. Coaches may NOT GET INVOLVED WITH ANY FORM OF COACHING if, in extreme emergencies, they have to act as assistant referee (AR) for their own team.

7.2 COMPENSATION FOR THE REFEREES

The Union will charge schools the following fees for the use of union referees in 2025:

Carlton referees: R500

Carlton Reserve referees: R400

First league: R400

Second league: R400

Third league: R400

Fourth league: R400

Assistant referees: R250

Technical Table: R250

Sevens (7's): R850 per referee per day plus R850 for the coordinator.

*Problems with referees must be reported to **Mr Stephan Geldenhuys** personally (**076 514 6994**).*

The BBRRRA will send out accounts twice a year to each school, payable to the Referee Association ASAP or in full at the end of the season.

7.3 RULE BOOKS FOR 2025

Available on the following webpage: www.wrlaws.com/www.sareferees.co.za (search under “law matters”).

Please note the following important messages from SARU:

*“...Rugby Season has just commenced or about to start in your respective Provinces, surely you might be inundated with enquiries from the Teams/School Coaches about the application of the **Experimental Law Variation** in 2023 Season. Please be advised that we will not implement/play the Experimental Law Variations (ELV’s) in Amateur Rugby in South Africa in 2023 Amateur Rugby Season. Amateur Rugby is defined as all Clubs, Schools, Varsity Cup/Shield, U21 Shield and U20 Shield rugby matches. World Rugby is still in an experimental phase and will implement laws changes after Rugby World Cup 2023. The only exception which is for SAFETY & Welfare of the players, is the application of the Break-foot at scrums.*

All the necessary **rugby safety regulations and documentation** can be found on MyBokSmart at the following page: <https://my.boksmart.com/Documents/BokSmart#Regulations> and also on the BokSmart Website at: <https://www.springboks.rugby/general/boksmart-legislation/>.

Please find the **SA Rugby Safeguarding policy** under governance and documents on SA Rugby’s website.

The HIA or **Head Injury Assessment** is ONLY applicable to World Rugby approved tournaments and ONLY at the elite professional levels of the game, e.g., the United Rugby Championship, Heineken Cup, Champion’s Cup, Test matches, and the international Sevens World Series men and women tournaments. The HIA is NOT applicable at any other matches played, even at Provincial level, where it is not a World Rugby approved tournament, and where the tournaments don’t meet the medical standards set for the HIA to be utilised. **For all other matches, the ‘Recognise and Remove’ Law is in play, and this is where the Blue Card must be used. Law 3.24 and Law 3.22 (c) refer.** Please ensure that the Referees have their Blue Cards available and use them only when required to do so. As mentioned previously, the situation must be clear and obvious, for the referee to use the Blue Card.

Please ensure that when the Blue Card is applied, that the referee involved **uses and physically shows the Blue Card**, the involved player is sent off, **and the case is logged online** after the match at <https://bluecard.footprintapp.net/>. It is important that where possible, every referee who issued a Blue Card, reports this online as well, so that we can monitor concussions recorded at these levels across South Africa. If we don’t know the true picture, we cannot know the true risk, so this process is critical.

Although applicable to all amateur rugby within SA, this is also important for ‘recognise and remove’ **televised matches**, where the HIA is not applied (as per the above explanation). **It is important that the visual Blue Card (where required and applicable) is SEEN on Television (and not simply mentioned by the match referee!)** by those watching the game and is then acted upon by those involved in the players’ management.

Please don’t forget the online reporting side of the process, so that those involved players, their families and immediate support network, can have access to relevant information for the players’ correct management and return to rugby processes. Sports Concussion SA’s medical professional network is always available should they be needed – a reminder that this remains an ‘**at own cost**’ service, but these are rugby concussion specialists, who are accessible via these protocols.

We now have the online [MyBokSmart](#) Learning Management System (LMS) within the BokSmart Certification Software Ecosystem, brought to you by [SportsCap](#), our official software partner. The Blue Card System and its reporting is well described here on [The Concussion Blue Card System](#) Module, which is freely available on MyBokSmart [Medical](#).

8. RESULTS AND LEAGUE LOGS

Results of the league matches must be recorded on the attached form (**BB1**) and sent to the section secretary directly after each fixture. This is the responsibility of the home school, even though both rugby organisers must sign the form to certify that it is correct. This information will be regarded as the final result.

The following league points will be awarded:

Participation	-	1 point
Score 3 or more tries	-	1 point
Lose with 7 or less points	-	1 point
Draw	-	2 points
Win	-	4 points

The section secretary will update the league logs and send it to each school on a weekly basis.

9. REGISTRATION OF PLAYERS

All players must register in writing at their school or youth club, with proof of birthdate, e.g. *certified copy of birth certificate/ID-document/passport*. This registration information of all players of the involved school or youth club must at all times be available at the rugby organiser during match days. All queries must be directed to the rugby organiser. If one or more players in question's registration document are not available, the matter must be addressed *before the kick-off of the match*. Contact the involved section chairman or any of the BBHSRA executive members. If the matter has not been resolved before the match or if new information becomes known after the match, it is regarded as a friendly match, pending further investigation by the BBHSRA.

PLEASE NOTE: If a player is found to be playing rugby in the wrong age group (i.e. too old), the team or (in severe cases) the school stand to lose all their league log points.

Complete form **BB6** for Afrikaans learners and **BB7** for English learners.
No rugby player should be allowed to play rugby if the registration form has not been completed and handed in with the school's rugby organiser.

DURING PLAY-OFF MATCHES THE REGISTRATION DOCUMENTS AS WELL AS THE CERTIFIED TEAM LIST (School stamp and Principal's signature) MUST BE HANDED IN WITH THE MATCH OFFICIAL – AS SPECIFIED BY BOKSMART. THE TEAM WILL FORFEIT THE MATCH IN DEFAULT.

10. BALLS

The home school is responsible for the match balls. All teams play with number 5, synthetical, white match balls (**Gilbert or MITRE or Rhino or Living Ball**).

11. SUBSTITUTIONS

A rugby team consists of 15 to 23 players. The substitutes will consist of a loose head prop, a hooker, a tight head prop (i.e. full front row), a player capable of playing lock or flank (utility forward) and four (4) other players in the case of eight (8) reserves. If only seven (7) or less reserves, World Rugby's law no. 3 (u19 variation) applies and the referee, technical table and opponents must be informed before the match kicks off. Players who can play in the front row, must be indicated clearly on the team list.

NB: up to twelve (12) rolling substitutions can be made during the match.

The substitutes at under-age teams must be of the correct age. Players from lower teams must substitute injuries, e.g. the 3rd teams must use players from the 4th, 5th or 6th teams. At u16A, u15A and u14A only players from u16B, u15B and u14B respectively.

Under-age players may not be used as substitutes for the senior teams, except for u16A-players **WHO HAS BEEN SCREENED AND APPROVED BY SARU** to play for the first team, having gone through and met the application requirements and S&C protocols, as well as the required medical tests. The rugby organiser, on behalf of the school, must comply with the required age-banding documentation and approvals for u17 players in the front row positions (prop or hooker) too.

If the A-team of an involved age group withdrew for a specific match, the B and lower teams may not play on the particular day. The opponents then receive 5 log points (1 for participation and 4 for the win).

No A-team player is allowed to play for the B-team or any lower team in the age group, except if such a player substituted a player in the A-team (during the A-team match). In other words, the player was originally chosen for a lower team.

A player cannot play for two different under-age teams on one day.

Schools lacking numbers/depth (i.e. no B-teams), can use u14 players on the bench of the u15 team and u15 players on the u16 substitution bench. These matches **MUST** take place in sequence, e.g. u14, followed by u15 and u16 last.

Players cannot start for two age groups, e.g. u14 and then again u15.

SANCTIONS: *Team(s) will lose all their league log points if this happens and the opponents receive a full six (6) log points.*

If a team makes use of a player who is too old, even if only for a part of the match, the team will forfeit all their league log points. Where opponents lost against such a team, they receive 5 log points and if the opponents won the match, they keep the points they earned.

If a team/school cannot comply with its league commitments (1 or more matches), such a team/school will lose all league and bonus points already earned. All opponents in that league receive 1 point for participation, irrespective if the match took place or not.

12. SENDING OFF PLAYERS

12.1 UNION REFEREES SENDING OFF PLAYERS

Only union referees can award players with yellow and red cards. The union referee will hand a written report to the Union in order to keep a record of the events. The technical table or rugby organiser must remind the referee to send a report to Mr Stephan Geldenhuys (BBRRA), who will gather all the red card reports and pass it on to Mr Jaco Kleynhans (BBHSRA Representative of referees).

If a player received a red card, the involved rugby organiser must complete the necessary forms and send it to **Mr Jaco Kleynhans (Midstream College @ 0833521740 of 0126610590 of jkleynhans@midstreamcollege.co.za)** - not later than the Monday or the next working day after the match. Such a player **MUST** bring his registration document or a certified copy thereof, as well as a photo or original ID, to the disciplinary hearing.

The outcome of the hearing and a photo of the player, if needed, will be sent to:

- Mr Stephan Geldenhuys (BBRRA);
- the Chairman of the BBHSRA;
- the Chairman/Secretary of the involved section;
- the opposing school.

Applicable regulations:

- 1 **yellow card** = 10 minutes in the "sinbin" for first team players and 5 minutes for all other teams;
- 2 **yellow cards** in one match = 1 **red card** (sent off + disciplinary committee);
- 1 **red card** = sent off and disciplinary committee;

The new **red card rule**, as ratified by SARU on 13 January 2025, applies:

U18 – U19 1st-team players (35 minutes on a side) who receive a red card will leave the field and may be replaced by another player after 15 minutes – excluding half-time;

U16 and U19 players who play side games in 30 minutes and receive a red card will leave the field and may be replaced by another player after 12 minutes;

U14 – U19 players who play in 25 minutes on a side and receive a red card leave the field and may be replaced by another player after 10 minutes – excluding half-time;

(the player who receives the red card is automatically suspended for one (1) match and a disciplinary hearing will take place within a week at the player's home union.)*

Blood – 15 minutes (running time)

If the referee sent off the wrong player and the necessary video footage and/or evidence serves as sufficient proof of this, the Chairman has the authority to refer the case to the involved school for further action regarding the matter.

Schools failing to report red card incidents take the risk of losing all their league points for the particular match. A disciplinary committee has been formed from

within the ranks of the BBHSRA management committee, to deal with all red card incidents. A player that received a red card is suspended immediately, until the hearing has taken place. A player can only play rugby again after he appeared before the disciplinary committee and the case has been concluded. The player and his coach / rugby organiser attend the disciplinary hearing. Any video footage of the red card incident is welcomed and should be sent to the Chairman in advance.

A huge responsibility rests upon the shoulders of coaches, rugby organisers and Principals to control and eliminate foul play. *The management emphasize the fact that all red card violations by one or more players from a school within the borders of the Blue Bulls, resort under the jurisdiction of the BBHSRA – even matches played outside the borders of the BBRU. Such red card violations must still be reported, as set out above.*

12.2 TEACHERS SENDING OFF PLAYERS

A teacher who complies with the minimum requirements (7.1) and acts as a referee may not use yellow and red cards. The teacher referee can send a player off and complete form **BB2 directly** after the match. The home school must send the form to Mr Jaco Kleynhans (BBHSRA Disciplinary Committee Chairman).

13. PLAY-OFF MATCHES

The following principles apply in regards to all play-off matches, i.e. quarterfinals, semi-finals and finals:

- The teams involved with play-off matches are u14A-, u15A-, u16A- and first teams.
- A certified team list with the registration documents, as required by Boksmart, must be handed to the match official before the start of the match. *Teams, who do not comply with this requirement, will forfeit the match.*

13.1 If two teams end up sharing the same number of league points and position after the league has been concluded, the team that has the biggest points difference (points for and points against), will qualify for the play-offs. The same principle applies if more teams from a section are involved in the play-offs and they end up sharing the same number of league points and position on the log.

If the two teams in question have the same points difference too, the team that won the league match between the two sides, will qualify for the play-offs. If still a draw, an extra play-off match will follow between the two teams in question.

13.2 If two teams draw a play-off match, no extra time will be allowed and the provisions of the Noordvaal regulations apply:

- 1. Most tries; 2. First try scored; 3. Scored points first;**
- 4. Still a drawn – the match is replayed.**

13.3 If a match ends in a “0 – 0” draw, the two teams will have a rematch on the Tuesday after the play-offs, but at the school where the league fixture or play-off match did not take place, i.e. the other school.

14. ARRANGEMENTS FOR PLAY-OFF MATCHES

14.1 Quarterfinal, semi-final and final matches are scheduled and will take place as printed under the fixtures of each respective section.

- **Balls:** both schools supply match balls;
- **First Aid:** sufficient first aid is the home school's responsibility;
- **Refreshments:** the home school will host the staff of the visiting school and can sell refreshments to all the players and spectators.

14.2 Time frame: the first teams play **35 minutes "playing time"**, u. 16A's play **30 minutes "playing time"** and u. 15A's and u. 14A's play **25 minutes "playing time"** per half.

15. PRIMARY SCHOOL LEARNERS

An u14-player from a primary school can play rugby at a High School or Youth Club. **PLEASE NOTE:** *Written permission from the player's parents and both the Principals is required.* Such a player can play for the u. 14A or any lower u. 14 team, *but only at one school during the season.*

16. HOME SCHOOLING

Learners who receive home schooling can play rugby for an affiliated school, on condition that:

- 16.1** the player can only play at one school during a season;
- 16.2** a letter of consent from the parent(s)/guardian(s) and a proof of registration at an accredited home school organization **MUST** reach the BBHSRA before or on 28 February of the particular year;
- 16.3** In order for such a player to play in any play-offs (quarter/semi/final), the minimum requirement is 50% of all the league matches in the run-up to the play-offs.

17. CLOTHING

Where confusion exists between the rugby jerseys of two opposing teams, the home team will play in their school outfit. The visitors must arrange to play in different jerseys. Schools that change their designs must consult with the BBHSRA to avoid a duplication of the same colours and/or designs.

18. RESULTS FROM MATCHES

The home school has the responsibility to complete the attached forms (BB1) with all the results and send it to the relevant secretary on the same day, directly after the conclusion of the fixture. Both rugby organisers must sign the form to certify the fact that the submitted results are correct – the information will be regarded as final.

19. PROVINCIAL RESPONSIBILITIES

We are a well-known rugby province with a proud history at inter-provincial and especially national level. *Principals / Rugby organisers / Coaches are reminded that player's provincial responsibilities take precedence over school responsibilities.*

A player must be available for his school before such a player will be considered for inclusion into any provincial team. **Once selected for a provincial team, a player will NOT be considered for any provincial team in the same year or any time in the near future, if such a player withdraws from the provincial team for no apparent reason, other than medical reasons (confirmed by a registered medical specialist or doctor and relevant medical reports).**

20. FIRST AID

Schools must familiarize themselves with the minimum requirements for first aid at fixtures, as prescribed by the SARU Medical association and BOKSMART. Sufficient first aid must be available at each match. If the referee is of the opinion that the minimum requirements are not met, he/she will refuse that the match start or continue as planned, until sufficient first aid is available.

21. AMALGAMATION / COMBINING TEAMS FROM SCHOOLS

If two schools decide to amalgamate regarding rugby because of a serious drop in player numbers, the following arrangements apply:

- Both principals must sign a letter directed at the BBHSRA, mapping out the reasons and motivation for such a decision.
- Both Chairman's of the respective schools' Governing Bodies or Directors must sign the same letter.
- This correspondence, seeking approval for the following year, must reach the Chairman of the BBHSRA before the final management meeting and the AGM (October). The application will then be presented to the executive committee for consideration and possible implementation.

22. OTHER COMPETITIONS

The AGM will decide if any other competitions will take place as well as the rules according to which it will be played.

COACHES ASSOCIATION

COACHES TRAINING AND REGISTRATION 2025

1. Important information regarding the registration of coaches:

ALL coaches in the BBRU regions (Tshwane and Limpopo) MUST register online since January 2018. You CANNOT coach at any school or club if you are not registered online. The purpose of this is for the BBRU to have a complete database of all its coaches and whether they qualify to coach, as set out in the Coaches Regulations and Policy document, as well as determined by the Code of Conduct for coaches. This information is given to SARU and SASCOC annually to prove that all coaches in the BBRU region comply with the minimum requirements to coach at schools and clubs.

The registration can be done online at www.bullskoaching.co.za, where you will be able to create a profile for yourself as coach. You click on the heading “Coaches Registration” and choose Tshwane or Limpopo. Follow the procedure to register further. It is very important that you complete all your details or you will not be able to continue with the registration. If you get to the point where you have to complete your identity number, you will see your BokSmart certification information appear, as taken up in the BokSmart database. If you are not Boksmart certified, or your BokSmart certification has expired, you will be directed to the BokSmart registration where you have to register and attend the BokSmart training online. You will not be able to attend any World Rugby courses if you do not have a BokSmart certification and if you are not registered as a coach at a school or a club. If your certification is in order, you will be able to continue with your registration as a coach.

At the end of the registration process, you will be required to upload a rugby coaching qualification(s). It is your World Rugby certificate(s) that you acquired. If you do not have an electronic certificate, scan the certificate and upload it. If you cannot upload a World Rugby Level 1 certificate, you will not be able to complete the registration process, since it is a minimum requirement to have a WR Level 1 certificate in order to be able to coach. The final data will be sent to the schools and clubs so that you can see which coaches are registered to coach in the BBRU region. The costs associated with this, is free.

2. Registration for World Rugby Coaching courses (www.bullskoaching.co.za):

You cannot register for a coaching course before you have created a coaching profile of yourself. If you have a profile, you can register for the coaching course of your choice.

The registration process will be easier and faster, since all your information is available on the system. Please take note that the closing date for the registration of coaching courses is five days prior to the start of the course, in order to complete the administration.

3. Registration for BokSmart training:

You click on the BokSmart heading/tab, taking note of any closing dates for the registration of the Boksmart training, if applicable. Boksmart training has been taking place online since 2021.

May you have a blessed 2025 and feel free to contact **Angelique Jacobs (BBRU)** or **Darryn Venter (BBHSRA)** for any coaching or training related matters.

NB: Remember the training opportunity for the technical table and school referees on Thursday, 6 February 2025 at 18:00 – 20:00 in the Loftus Versfeld Auditorium!
